FIXED WALL BULK REUSABLE TRANSPORT PACKAGING CONTAINER

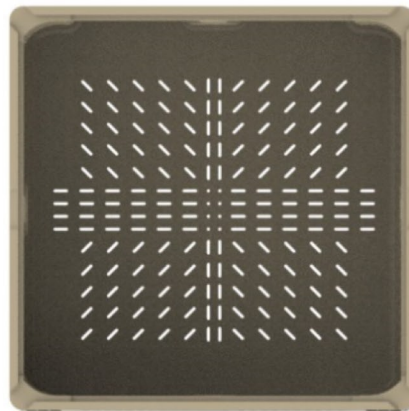

USAGE

Harvest bulk bins are designed to withstand the rigorous demands of the agricultural industry while remaining lightweight, maneuverable, and easy to use. Angled vents and arched reinforcements create a stronger bin. This harvest bulk container is full stack compatible. Manufactured from structurally rigid HDPP, these bins are impact-resistant and safe for food handling.

SPECS

- **VENTILATION SLOTS:** Over 600 angled ventilation holes for excellent venting and decreased crack propagation
- **FOOR DESIGN:** Three piece feet, interlocking, field replaceable
- **VERTICAL STACKING:** Stack containers up to 10 high, for efficient storage and warehousing
