REUSABLE TRANSPORT PACKAGING

48 X 40 X 45 – 264 GALLON COLLAPSIBLE LIQUID INTERMEDIATE BULK CONTAINER WITH BOTTOM DISCHARGE

This liquid IBC is a safe, hygienic and efficient solution for bulk liquids in the food processing, cosmetic and pharmaceutical industries. It features a double wall construction that provides excellent strength and durability. This liquid intermediate bulk container also features a T-shaped locking system that maximizes safety when the containers are stacked. This IBC is designed to have a minimum number of parts, and is made from a UV and deep frost resistant material. This resilient polymer formula is suitable for all harsh industrial environments and can remain in storage outdoors for a sustained period of time. An improved bottom discharge zone helps to speed up the liner and valve installation and removal process. A dust cover on the bottom discharge ensures maximum hygiene handling, transport and storage. All parts can be easily replaced to maximize the life span of the container.

Features

- Applications:** Bulk liquid storage, transport, and distribution, fruit and tomato products
- Liquid Transport:** High capacity, rigid sides, and durable HDPE ensure safe transport
- Detachable Lid:** Removable lids allow for stacking, and reduces the risk of contamination
- Smooth Interior:** Protects cargo, and is easy to clean, plastics will not grow mold or bacteria
- Hygienic:** Optional sanitary liners pair with smooth plastics that are easily sanitized
- Liquid Transport:** High capacity, rigid sides, and durable HDPE ensure safe transport

Specifications

Outside Length:	48.0"
Outside Width:	40.1"
Outside Height:	45.2"
Inside Length:	44.6"
Inside Width:	36.8"
Inside Clearance:	37.1"

Container Volume:	35.3 cu. ft.
Container Weight Capacity:	3306 lbs.
Stack Height (Static/Dynamic):	5 / 2 (Erected) 14 / 7 (folded)
Fork/Pallet Jack Entry:	4-Way
Tare Weight:	232.1 lbs.
Material:	Polypropylene

Accessories

Bayonet Key With T-Grip

Long Bayonet

Short Bayonet

Speedy Valve

Bottom Discharge Plug
