

# CANNABIS BUD TRAY

## REUSABLE TRANSPORT PACKAGING

### USAGE

Our Cannabis Bud Tray is the legal industry's favorite solution for bucking and drying. This affordable, single-piece tray is made from industrial-strength, food-grade plastics and is designed to stack securely. These dual-depth trays can stack at full height or be turned 180° to nest at 50 percent height. They provide open ventilation for maximum drying and climate control. Integrated sliding rails stack securely during movement and storage. An ideal and trusted solution for growers and processors.

### SPECS

- **MATERIAL:** Injection molded, high density polyethylene
- **NO FLAT SPOTS:** Ventilation pattern allows for no flat spots to develop on the bud when drying
