

REUSABLE TRANSPORT PACKAGING

FIXED WALL BULK CONTAINER

USAGE

Designed to withstand the rigorous demands of the agricultural industry these 48" x 48" x 28" harvest bins remain lightweight, flexible, maneuverable, and easy to use. Manufactured from the highest quality HDPE in a structural foam injection molding process, these bins are impact-resistant and safe for food handling.

The ideal harvest bins for indoor or outdoor use. Stackable up to 10 high allowing for maximum storage & shipment space, they are UV resistant, temperature resistant, and keep pests and inclement weather out. Fixed wall bulk containers are available in solid or vented wall options.

AVAILABLE IN 6 COLORS
